Thanks once again to the residents, the judges, the Hospitality Committee and the “Christmas in July” Group that kept the spirit going!
Condolences go out to the family of Ned Eugene “Gene” Beall who passed away in November. He is survived by his wife Judy and many family members and friends. Gene served HISD for 42 years as a high school choral director and middle school principal. He sang with the Houston Choral, The Houston Grand Opera in small roles and professionally at the Arena Theatre for four seasons. He was also known for his skill at playing the banjo.

SPP also lost another long time resident with the passing of Melvin Lofton in December. Our sympathies to his wife of 63 years, Dorothy Lofton, and their family. Mel had a great love of music, playing the saxophone and clarinet since his teen years and singing in the choir for St. Matthew’s United Methodist Church in Houston.

Deputy Moulden explained that this group was well organized and had been active in all parts of the city and had even been pulling this same scam in other states. Thank you Deputy Moulden for your diligence and professionalism.

SHEPHERD PARK PLAZA CITIZENS PATROL WELCOMES VOLUNTEERS!

The Houston Police Department is concerned about crime in the neighborhoods and communities throughout the city. In response, the Citizen Patrol Program was established in an effort to bring the citizens and the police department together for a common goal, and that is to improve the quality of life by eliminating crime. You can become a volunteer by signing up today! Contact Rick Zebrak at 713-686-8873 or rickzee@att.net for more information.

The Citizen Patrol Program is designed to provide a means for citizens to organize into patrol groups for the purpose of reducing crime in their community. Citizen Patrollers are the additional eyes and ears the police can count on to make Houston a safe place to live and work. The value of police/citizen cooperation is well illustrated by the success of the Citizen Patrol Program nationwide.

Patrollers who turn in at least 4 hours by the 5th of the month are eligible for a random drawing for a $10 gift card. The winner of the drawing for November is Jeanette Blesener.

Benefits local animal rescue. Donations accepted! New and used items.

SPP MEN’S GROUP

AN OPEN INVITATION TO ALL RETIRED MEN OF SHEPHERD PARK PLAZA

Consider this your personal invitation to join our small friendly group of retired men who meet once a month for lunch at various local restaurants. We have friendly discussions on many topics, discuss the news about what is happening in the neighborhood, and occasionally present a short film for entertainment or information. We give out an annual John Wayne Award to someone who has in some way contributed a great deal to the betterment of our community. There are no strings attached. We have no dues, no officers, no rules, and no commitments other than to come when you can and enjoy yourself. I am the current coordinator but will gladly relinquish the position at any time to anyone who wishes to take over. We meet at 11:30 a.m. on the second Thursday of each month.

The women of the neighborhood have the Plaza Moms and the Garden Club so this is the only group dedicated to the men of the neighborhood. We are open to all men in SPP, but since it is difficult for those still working to meet during the day on Thursday, most of our members are retired. Even if you are newly retired or have been retired for years, put down your job list and take a day off from fishing or playing golf to come have lunch, meet some great neighbors and make some new friends.

Our next luncheon will be on Thursday, January 12th at 11:30 a.m. when we will meet at Live Oak Grill, 10444 Hempstead at Dacoma. For more information contact Chuck Blesener at 713-683-9945 or 713-855-7384 or ccbles77@gmail.com.

SAFETY FIRST ON NEW YEAR’S EVE!

If you’re planning to enjoy New Year’s Eve with a little champagne, please put your safety first by having a designated driver or the phone number of a taxi service or Uber pre-programmed in your cell phone. It’s much cheaper to pay for a ride than pay for a DWI.

**SHEPHERD PARK PLAZA CONSTABLE PATROL PROGRAM**

On August 17th, KHOU Channel 11 News aired a report about increased crime in the Oak Forest area. The HOA in Oak Forest has hired a private security firm to patrol the neighborhood but has cut back recently due to a lack of funds. The participation in Oak Forest has been low, due in part to the residents’ concerns that the security firm does not have law enforcement powers.

That is not the case with our SPP Constable Patrol Program. Our program is manned by uniformed Deputy Constables from Precinct 1 and they have full policing authority which includes the power of arrest and investigation. They patrol our neighborhood (in combination with Candlelight Plaza) 80 hours per week in marked cars.

The SPP Civic Club Board initiated the Constable Patrol Program in 1999. Since that time, crime has gone down. It is a rare thing to receive the coverage that we do for only $250 per year. Our current participation rate is just over 60% but we can do better. The more contract members we have the cheaper the cost will be for all of us. Our membership statistics show that our newer residents don’t participate in the program as much as those who have been here a while. Let’s all do our part no matter how long you’ve lived in SPP. Is this small annual fee too much to ask for peace of mind that comes with knowing that a law enforcement officer is only minutes away?

You have seen the reports about how stretched HPD resources are, so please consider donating to insure a quick response and help in an emergency.

If you can’t give the full $250, give what you can. We need all of our residents to be willing to pull the wagon and not just be passengers. You can even use a credit card to pay your Constable Program and SPP Civic Club dues. Go to [http://shepherdparkplaza.com/](http://shepherdparkplaza.com/) and click to pay the constable and membership dues.

Thanks,
Bill Scheel

December Yard of the Month
Cindy Wolfram – 4507 Apollo

Cindy’s yard is a ‘nature lovers’ yard. Cindy, along with her husband, Bob, have created a wildlife habitat that bees, birds and other wildlife love. Both her front and back yards are "Certified Wildlife Habitats" meaning her yards provide food, water, cover, places to raise young AND adhere to sustainable practices. Their habitat gardens help replenish resources for both local and migratory wildlife. Attention getters in Cindy’s front yard include an enormous Stag Horn Fern hanging basket and flowering Angel Wing Begonias. Coupled with Christmas decorations, her yard is ready for the holidays for both wildlife and guests.

HPD Offers Safety Tips for Mobile Buy/Sell App Use

If you are one of the thousands of Houstonians using mobile buy/sell apps, the Houston Police Department wants you to be safe when making arrangements to purchase or sell items via these apps. Items are posted for sale on popular websites or social media apps, such as LetGo or OfferUp, and persons interested in making purchases communicate through the website. Persons then arrange to meet to exchange money for the items sold.

If you are going to make purchases or sell items using these apps or websites, follow these robbery prevention safety tips:
* If you are going to exchange money for property, do it in a public place (police station, public parking lot) and during the day.
* If possible, have someone accompany you to the location.
* Don’t invite strangers to your home or go to their residences.
* Avoid displaying large amounts of cash. Take only the amount needed for the purchase.
* Utilize a proxy email rather than your regular email address to avoid revealing personal information.
* Trust your instincts and avoid uncomfortable situations. If it sounds too good to be true, it probably is.

If you are the victim of a robbery, remain calm and DO NOT resist. Take no action that would jeopardize your safety. Follow the robber’s directions, but do not volunteer more than asked for. Make mental notes of anything unusual about the suspect, such as appearance, scars, tattoos or type of weapon used. After the robbery, go to a safe location near the robbery scene and call law enforcement authorities immediately.

Anyone who has been a victim in these types of cases is urged to contact the HPD Robbery Division at 713-308-0700 or Crime Stoppers at 713-222-TIPS. Remember that robbery is a crime of violence that threatens the safety and quality of life of a community and it can be reduced through awareness and prevention.

Give Once, Impact All Year Long

Did you know that Durham Elementary PTA has a sponsorship program for community members? That’s right, the Texas PTA leans on not just teachers and parents, but on the community as well to support its schools! PTA is the largest child advocacy group in the country and at Durham, we are committed to the children and families of the communities we serve.

We couldn’t do it all without the amazing community that surrounds us, so thank you for your ongoing support of our school! We are grateful that neighbors like you care about education and the quality of education that Durham students receive. Additionally, we know many young families are excited to support their neighborhood school in anticipation of one day becoming a Durham family! Giving now to prepare for the future is great on so many levels!

Durham Elementary is an International Baccalaureate (IB) World School, an HISD IB Magnet Campus, and a Dual Language Academy. Its classrooms are filled with energetic students who will become future leaders. They come from a wide range of backgrounds and are constantly learning to apply the IB Learner Profiles of being Inquirers, Knowledgeable, Thinkers, Communicators, Principled, Open-Minded, Caring, Risk-Takers, Balanced, and Reflective.

We are excited about the 2016-2017 school year that includes many educational, fun, and engaging family events. The majority of the fundraising for our school comes through our spring fundraiser (adult-only Casino Night!) and awesome sponsors like YOU!

Due to district wide budget cuts, the school and PTA must consistently fundraise throughout the year in order to provide our students with engaging programs and the necessary facilities that are needed to provide a top-notch educational experience for our children.

This school year, our fundraising will be directed towards the school’s effort to maximize campus and classroom spaces by creating a large, enclosed space for PE instruction as well as other campus needs. We are excited about these initiatives and with the support from community partners like you, we will be able to have a space for our students to encourage and support active learners all year round.

As a Durham PTA sponsor, you give once, but impact Durham all year long! We are currently seeking sponsorships to support our fundraising goal of at least $30,000 this school year! Your sponsorship of Durham PTA is invaluable to our efforts and your name and logo will be proudly displayed at Durham PTA events. Please see enclosed sponsorship form for details and thank you for your consideration! We look forward to working with you to make Durham great!
